Our Season Never Ends-We Can Hunt The Year Around

Conceived by hunters for hunters. That's both the philosophy and the reality of HRC-The Hunting Retriever Club, Inc. The HRC is the largest nationwide Hunting Retriever Organization devoted to perpetuating the hunting instincts in the Retriever Breeds. HRC is only interested in testing the retriever in true to life hunting situations. With HRC, you and your retriever will hunt to the gun. Those that succeed will be awarded a Hunting Retriever Championship. No other organization is awarding championship titles to our Hunting Retrievers. You are judged by a standard, not dog against dog.

HRC has something else no other group can lay claim to – the backing of the United Kennel Club, Inc. (UKC) – the largest hunting dog registry in the world. UKC sponsors more hunting dog events than any other organization. UKC gave us the freedom to create the running rules and to run the events the way we know they should be. United Kennel Club was created way back in 1898 - as a working dog registry.

If you can't wait for hunting season to roll around so you can go hunting with your dog, or want to learn more about training it to hunt and also have the opportunity to compete in these events for a Hunting Retriever Champion title, then the HRC is for you.

The bi-monthly magazine, HUNTING RETRIEVER, will keep you informed on all the activities, and it is included in the membership. This isn't just a magazine either. The writers include Jim Spencer and some of the most well-known hunting retriever writers in America. For all the details, contact HRC by filling out the application. Come join us in this exciting hunting dog program. Send the application and fee to:
